

JUST TALK.
IT CODES.

agent-kit · open-source skills for
AI coding agents

agent·kit

NO SLASH COMMANDS

It greets you, asks one question and leads the rest.

agent·kit

FIXES ITS OWN MESS

Crashed simulator? Stale cache?
Broken test? Handled. No questions.

agent·kit

KEEPS AN EYE ON YOUR CI

A lighter model watches every run in the background.

agent·kit

9 STEPS.
NONE SKIPPED.

Hooks make the agent follow the plan, not just read it.
